Dear Lauren,

Thank you for contributing your talents to First Step's 30<sup>th</sup> Anniversary Tribute by providing such beautiful music. The evening was a success thanks to you!

For 30 years, First Step has worked to prevent domestic and sexual violence and to provide services to individuals and families affected by these crimes. We educate in our community and advocate for our clients. We provide shelter, 24-hour response, housing, legal information, counseling, educational presentations, and children's programs to nearly 16,000 individuals each year.

Thank you for contributing your time and sharing our vision of a peaceful and healthy community.

Warmest regards,
