To whom this may concern,

On March 9th Temple Beth El Sisterhood held their 20th annual Party Planning Showcase. This year we instituted a bridal exhibition. At the center of the event we featured the beautiful music provided by the Erickson Flute and Ensemble. Their presence set an elegant tone for the presentation of bridal fashions and decorations. We look forward to hearing their lovely music at future Party Planning Showcases. I would recommend the Erickson Flute and Ensemble for Weddings, Anniversary Parties or Dinner Parties. Their presence will enhance the mood for your celebration.

Sincerely,

Patrice Phillips
